

# PIRACY KILLS CREATIVITY.

The movies you watch. The email you can't live without. The sms you're addicted to and the games you play on the net. They all started with an idea, from someone just like you. To make your life better. Do the right thing. Each time you reject piracy, you encourage creativity. Whose life do you think that will affect tomorrow? Yours. Be creative. Be original. Be hip.

# CHANGE IS GOOD.

The movies you watch. The email you can't live without. The sms you're addicted to and the games you play on the net. They all started with an idea, from someone just like you. To make your life better. Do the right thing. Each time you reject piracy, you encourage creativity. Whose life do you think that will affect tomorrow? Yours. Be creative. Be original. Be hip.

# IDEAS

# CHANGE

# LIVES.

An idea is imagination at work. It is a vision of a brighter future, a better tomorrow. Of possibilities. Of life without limits. An idea can make the impossible possible. It can inspire the world. It can change you and me. So don't kill ideas. Stop piracy. Be creative. Be original. Be hip.

Here's the big picture. When you choose an original HP inkjet print cartridge, you can be assured of long-lasting, true-to-life, vibrant photos and images. HP inks undergo over 70 tests to ensure purity and performance - which means, you can complete every task more efficiently. So, for crisp text, vivid images and worry-free printing, choose original HP inkjet print cartridges. Always look out for the genuine HP trademark and packaging, and say 'no' to piracy. Original HP Print Cartridges. The science behind brilliant printing.
